

Chateau Estates Elementary Library Mission Statement

The mission of the Chateau Estates Elementary School Library is to provide students with a safe, nurturing environment where they can:

- Seek information for their educational and recreational needs
- Learn skills in evaluating information resources for validity and accuracy
- Develop an appreciation of literature and become lifelong readers
- Become lifelong learners in a 21st century environment
- Enjoy open and unbiased access to ideas and materials in an atmosphere of intellectual freedom*

Furthermore, the Chateau Estates Elementary School Library seeks to serve as a “hub” to the school where students are free to seek information on any topic of interest.

The library also aims to provide accurate, up-to-date resources to students, staff, and the surrounding community. Most importantly, the library aspires to promote life-long learning and an increased interest and ability in reading.
