

2nd Grade Summer Reading Assignment

1st graders moving to 2nd grade

Dear Future Second Grader,

Below is the list of summer reading books for second grade. You are to choose two fiction and two non-fiction books that you want to read over the summer. When you come back to school in August, you will have a book talk with your teacher and discuss the details in the book with your teacher and with other students who read the same book. Lastly, you need to complete a project on one of the books you read. If you complete the project, you will be given a coupon for 10 extra points. You can use these ten extra points to add to a test grade. If you do not do the project, then you will not earn the ten extra points. The ten points must be used by the end of the 1st 9 weeks.
