

Hello Community Partner,

The Jefferson Parish Public School System is pleased to announce the launch of our reading initiative, *I Read! You Read! Together we all READ!*

We know that early literacy is critical to the development of our students' academic, emotional, and social growth. We invite you to partner with our schools as we strive to reach our goal of all students reading by the first grade.

There are several ways to help. You can donate a book or books to the library at one of our schools. After donating, the principal will provide you with a JPPSS Reading Movement name card that will be placed in the donated book. Your donation will reach many, and have an impact for years to come.

You may provide a monetary donation. The principal or librarian will purchase a book or books according to the monetary option you select. Please feel free to use the donation envelope included in this letter.

Finally, you may volunteer to read to students at one of our schools. If you are interested in reading, contact the principal at one of our schools and they will assist you.

As always, we appreciate your commitment to public education in Jefferson Parish.

Melinda Doucet, District VII
JPSB President
